CALENDAR

Officers School of Instruction on June 25th at Healdsburg. Refreshments at 6:00 instruction at 6:30. The theme of the meeting is the Entered Apprentice Degree. All Masons are welcome.

FROM THE SOUTH

We need more brothers to come to first degree practice on Thursday evening's at 5:30 pm. Every Thursday or call Lance the Secretary. The date of the degree is yet to be determined and we need more people to have fun cooking on Lodge night.

FROM THE WEST

As I write this article I am sitting in a chair at the Leadership Retreat for Masons down in Palm Springs with other officers of Masonic lodges.

Leadership is an essential talent that all of us need to understand something about. If you are a member of our lodge you may be asked to serve on a committee like coaching candidates, membership or building renovation. Thanks to our Master Matt Lodge for keeping on top of these projects and for all the time and manual effort that he has done for the building.

Obviously one person cannot do everything in the lodge. The renovation committee is putting in time and efforts to come up with ideas for the building. I'm sure I will forget someone but Don, Jack, Gary, Jon, Dustin, Lance, Matt as well as Bianca, Amber and Glenn cannot be overlooked.

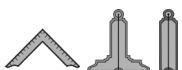

When asked, tell the Master or Wardens that you can or cannot do the job or task. Volunteer to do a job that you think you can do and want to do, then do it!

When you volunteer to call a prospective member follow up with them and meet the prospect at the stated meeting dinner, introduce them around and make them feel welcome. Thanks to Jack, Joe, Jon, Greg and all the guys that called prospects.

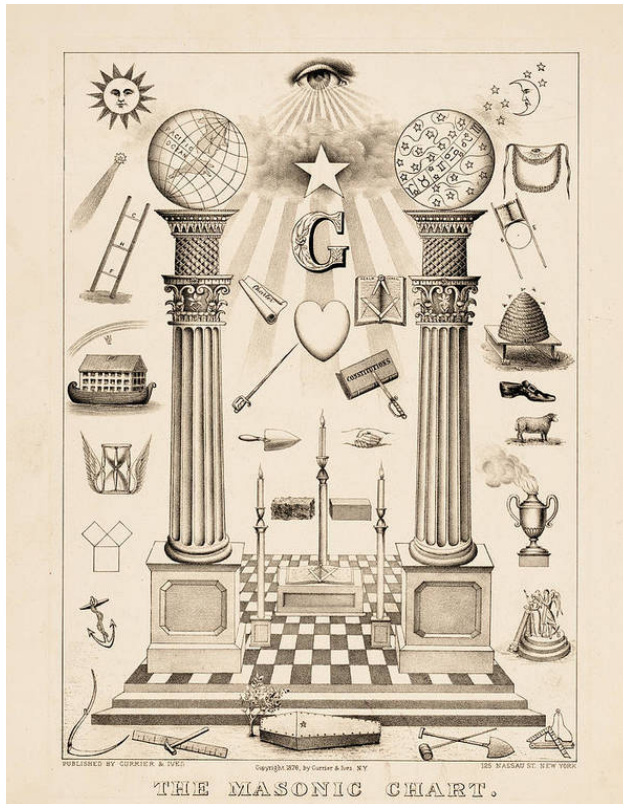

As a member of the renovation committee, come to the meetings, listen to the other members and contribute. We are proceeding with great ideas that are coming out of this committee. The exterior of the building is being painted, the windows are fixed and we will be moving the piano and organ down to the temple room. There are so many ways to get active in the lodge.

If you have ideas about membership, renovation of the building or want to be more involved, text or phone me!
